INCREASED
SERVICE
DEMAND

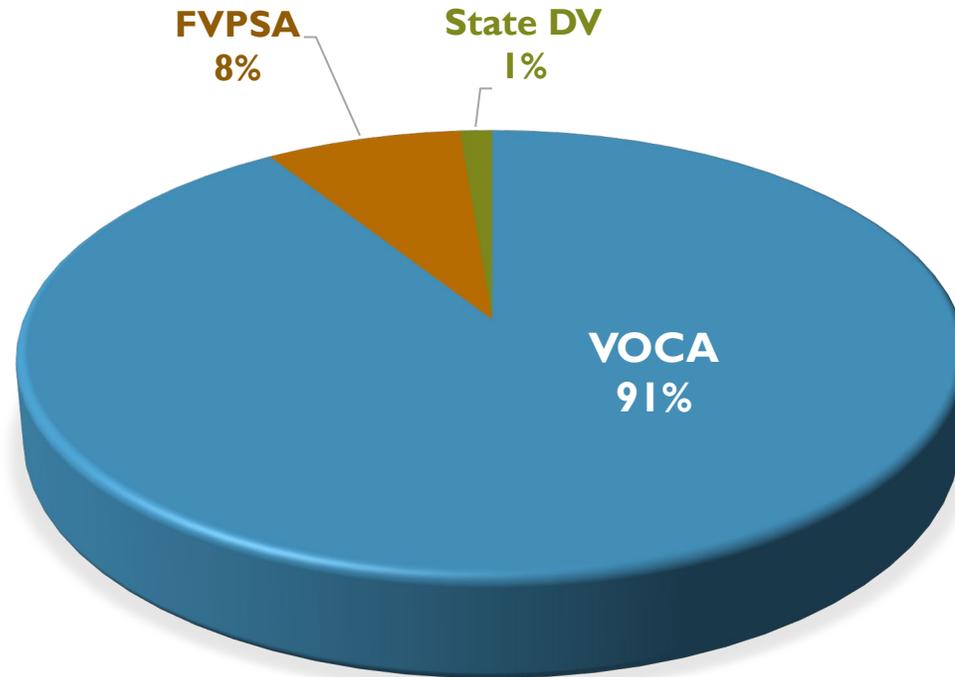

Demand for Victim Services in Idaho is Increasing

Victim services providers are reporting...

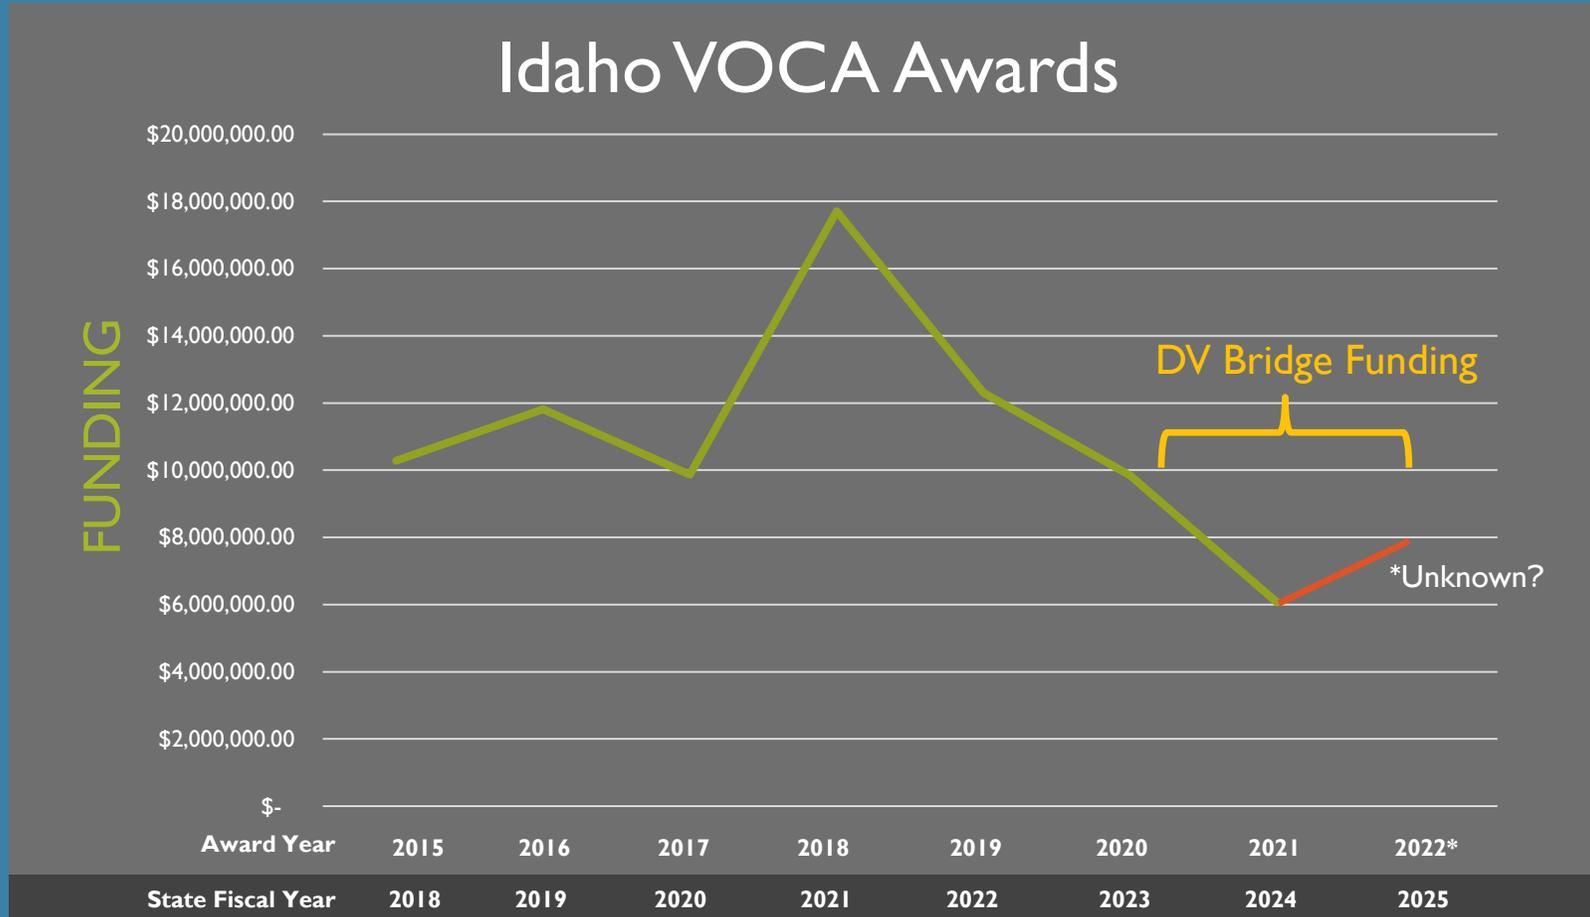

- Increased incidents of child abuse
- Highest number of sexual assaults since 2009
- Increased demand/services for intimate partner violence
- Greater severity of injuries and more lethality
- Longer wait times for services
 - Counseling
 - Housing – greater demand for emergency shelter, transitional housing, and affordable long-term housing

VOCA Fix to Sustain the Crime Victims Fund Act of 2021: Signed into Law July 22, 2021

34 U.S.C. 20101

Amended Section 1402

- Directs federal criminal settlements from non-prosecution and deferred prosecution agreements into the Crime Victims Fund
 - *The effect is expected to be an increase in VOCA Awards to States beginning with the VOCA 2022 Award (which will be spent by Idaho in SFY25)*
 - *The amount of the increase is not yet known and is tied to criminal prosecutions for federal crimes and resulting funds from convictions or agreements*
- Provides ability to issue no cost extensions on VOCA awards, making VOCA awards potentially available one year longer
- Waiver of 20% match requirement for duration of the pandemic (States do not have match requirements, only subrecipients/funded programs)
